

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION II
EDISON, NEW JERSEY 08837

January 9, 2014

Ms. Helen Snowden, Library Manager
Glassboro Public Library
(Branch of Gloucester County Library System)
2 Center St., Glassboro
New Jersey

Dear Ms. Snowden,

The U.S. Environmental Protection Agency (EPA), Region II has started an Emergency Removal Action at the Superior Barrel and Drum Site under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The CERCLA Removal Action is located in Elk Township, Gloucester County, New Jersey.

We appreciate having the Gloucester County Library's Glassboro Branch as the designated administrative record facility for the Superior Barrel and Drum Site. The enclosed record files, along with any future documents relating to technical activities at the Site should be placed in the Gloucester County Library's Glassboro Branch and be available for public review. The record files should be treated as a non-circulating reference and should not be removed from your facility.

By providing the public with greater access to these records, we hope that they will be better equipped to comment constructively about site activities and to understand the issues relating to the selection of the response action at the Site.

To ensure the receipt of the administrative record file, I would appreciate your completion of the attached Document Transmittal Acknowledgment form. **Please return this form in the enclosed self-addressed, stamped envelope.**

Again, I would like to thank you for your cooperation with the U.S. EPA in serving as a Field Repository. If you have any questions or comments, please contact me at (732) 321-4454.

Sincerely,

Keith Glenn., On-Scene Coordinator
U.S. Environmental Protection Agency, Region II
Response & Prevention Branch
